

Becky's take on the 12 Days of Christmas, Molly style!

On the twelfth day of Christmas my computer gave to me...

Twelve mousie dinners,
Eleven extended sales,
Ten fling and flies,
Nine drive by horkers,
Eight different cameras,
Seven spiders spinning,
Six healthy owlets,
Five DVDs,
Four finger puppets,
Three bunnies running,
Two owls bonding,
And an owl box from S P O!

Ho, Ho, Ho!!!
