OK, since we're all talking again about Carlos not seeing our site, I should probably tell you that I had an email exchange with Eric Blehm. He wants to know if we have ever formally invited Carlos to talk to us. I'm not sure what "formally" means. Anybody know? I was under the impression that somebody had asked Carlos and felt he had brushed them off.

Er, email address. In responding to the invitation in the chat Q&A, he said "yeah, maybe he'd come sometime." It was a bit dismissive, but he's never been to the site and was explaining that he no relationship with SPO. He's busy. Hard to cut through the clutter. I think that's why Chris sent the package but I'm not sure.

I tried to reply and it did not show up. We are not sure why it is down. Hopefully, it will be up by the time she/he receives it. If not, it is worth waiting for. Tell them to trust you on it. It has been down for about 3-45 min. Hopefully it will be up soon.
