## "My Family" ...by Carrie

Our mommy's name is Molly  
Our dad is Leggs McGee  
I'm not sure where daddy lives  
I think mom's in a tree

Let me tell you about my sister  
And about Carrie...that's me!  
We live here in this little room  
We live quite comfortably

I'm sitting next to my big sister  
Yep! That's Ashley next to me  
Ashley is one day older and bigger  
But I'm catching up, you see

Ashley likes to stand up  
And she stands up very tall  
Me, I like to sit a lot  
And stare at the wall

Ashley likes to gobble treats  
Before I get the chance  
And I think that someday very soon  
She won't fit in her pants

Her wings are growing larger  
And she likes to stretch them open  
My wings are getting bigger, too  
Will they be like hers? I'm hopin'!

Mommy and daddy love us  
They make sure we're well fed  
They bring us mice and other treats  
Before we go to bed

Someday we're going to fly away  
To hunt by the light of the moon  
We're looking forward to new adventures  
And that day is coming soon!
