

To be sung to the tune of:

"A Few of My Favorite Things"

By Ruthie

Gophers and rabbits and mice when they're de-ad
Dark furry v-oles and rats without he-ads
A pile in the corner of treats my Mel brings
These are a few of my favorite things.

A visit from M-el - his singing and dancing
Showing affection, and then some romancing
Snug-a-ling up and a peck on the cheek
My life with Mel - is rather unique.

When the rain falls, when the wind blows,
When I'm feeling sad
I simply hork up - a pellet so grand
And then I don't feel - so - bad.
